Detours: Learning Lessons on the Long Way Around

Many people know the stories of the Israelites leaving Egypt after the plagues; how the Red Sea was parted and all the Israelites crossed on dry ground while the trailing Egyptians drowned. Then what happened? Where did they go? What did they do? Join us we learn some valuable lessons from the Israelites as they travel from Egypt to Mt. Sinai on their way to the Promise Land. We'll be working through Exodus 13-19; bring your Bible as we open God's Word to gain wisdom for our journey!

1 & 2 Peter, Jude: The Map for the Road of Life

"I'll never grow up." Sometimes, we all feel a little like Peter Pan. It takes too much work to grow up spiritually. We'd rather be told what to believe and how to act than look into the Bible for ourselves. The writers of 1 & 2 Peter and Jude understand how difficult it is to grow into maturity. But, they show us how God provides direction and comfort when we travel dark roads, and show us what it takes to be mature in Christ. Join in the discussion as this class journeys through these three informative and practical New Testament books.

How We Got Our Bibles

We know the Bible stories, but do we know the Story of the Bible? How did it come to be? Has it changed? PowerPoint presentations from the Holy Land Experience in Orlando, Florida are included in this class. We will also look at the cultural backgrounds and other information that sheds light on the book of Books, the Bible.
