

# TO GO

1. Describe one of your favorite team experiences to date. What about it made the experience rewarding? What sacrifice, if any, did it require of you and the others on the team?
2. Read 1 Chronicles 29:20–22. What evidence do we have for the broad participation of the people in the building of the temple? Why does this appear to be such a joyous occasion?
3. Read Acts 11:29 and 2 Corinthians 8:1–3, 12–15. What do these passages convey about the types of gifts that are celebrated in the New Testament?
4. Read Matthew 25:14–30. Describe some of the basic principles that this passage reflects. What does God expect from those to whom he gives talents and treasures? Why is there great reward in stewarding those talents and treasures?
5. Read Psalm 127:1–2 and Acts 2:42–47. Why is prayer such an important thing to remember in processes like the BluePrints Campaign?
6. Begin using the 36 days of prayer guide by signing up for a daily text at 715-962-8280 or on our website at [cornerstonemarshfield.com](http://cornerstonemarshfield.com).
